

Volunteers

Looking for a fulfilling and rewarding way to give back to your community? Come volunteer at our aged care facility! Longridge Aged Care are seeking volunteers of all ages to join our team and help provide essential support to our residents.

As a volunteer, you'll have the opportunity to make a meaningful difference in the lives of seniors in your community. Whether you enjoy spending time chatting with others, helping with activities, or simply lending a helping hand, there are many ways you can make a positive impact.

No experience is necessary – we'll provide training and support every step of the way. You'll also have the chance to work alongside our experienced staff members and gain valuable skills and experience in aged care.

Whether you're a student looking to gain experience in healthcare, a retiree with spare time to give back, or anyone in between, we welcome all volunteers to join our team. You'll make new friends, learn new skills, and most importantly, make a meaningful difference in the lives of those in our community who need it most.

So why wait? Contact us today to learn more about our volunteer opportunities and how you can get involved. We look forward to hearing from you!
